

DATES TO REMEMBER FOR YEAR-END GIFTS

If you plan on making a year-end gift to the Birmingham Jewish Federation or Foundation, please remember:

- Stock gifts must be completed and received in the Federation or Foundation account by December 31st. To be on the safe side, stock gifts should be initiated no later than December 20th. Gifts of mutual funds may need to be initiated even earlier. For help with this, contact Sally Friedman sallyf@bjf.org, 205.803.1519, or Tiffany Hyche tiffanyh@bjf.org 205.803.1513. Please let Sally or Tiffany know how many shares of what stock you are donating, so they can be sure to track your gift.
- Checks must be postmarked or hand delivered no later than December 31st. The IRS does not consider simply dating your check 12/31/19 to be sufficient for a 2019 deduction.
